Dear Homeowner's,

As per our recent loss control inspection by our insurance company, the board has decided as per their recommendation to adopt the following rule:

### **PORTABLE ABC TYPE FIRE EXTINGUISHERS NEEDED IN EACH UNIT**

Each association member **MUST** install a fire extinguisher in their unit or have one currently installed that meets the following requirements.

Every extinguisher should have a rating of at least 1A-10BC provided on it's label. Members should follow the installation instructions that accompany the extinguishers, and extinguishers should either be replaced annually or serviced annually by a qualified fire extinguisher service contractor.

For a copy of Armella Arms' Rules and Regulations, Articles, By-Laws, and Declarations please visit our website at [www.ropmco.com](http://www.ropmco.com)
